EXPERIENCE

Business Manager/Administrator

2010 - 2019

Unitarian Society of Germantown

Philadelphia, PA

Manage administrative and financial matters for annual budget. Provide direction and support to other staff, lay leaders, volunteers, renters and contractors. Bookkeeping and budgeting, personnel, communications, IT support and management, facilities usage and maintenance, equipment, membership, insurance, and policies and procedures.

- Reduced deficit by more than \$25,000 over three years and presented a no deficit budget for Fiscal Year 2019-20.
- Saved organization over \$6000 annually (since 2017) by eliminating external bookkeeping contract, bringing duties in-house and personally performing the booking and accounting duties. Transferred financials to Quickbooks Online.
- Saved \$4000 on liability insurance policy by negotiating with new insurance Broker.
- Successfully implemented database transfer to Breeze and setup new auction data management program Auctria.

Executive Director

1998-2000

Theatre Alliance of Greater Philadelphia

Philadelphia, PA

Managed administrative, financial, personnel and operations functions in support of 40+ member theatres.

- Successfully produced annual Barrymore Awards and Annual Auditions and created StageTix program.

General Manager

1996-1998

Walnut Street Theatre

Philadelphia, PA

Successfully performed contract negotiations for all creative talent. Hired and managed all admin and building staff. Performed negotiations with all six union contracts within budgetary guidelines.

- Managed annual budget of \$6-7 million for nonprofit professional theatre producing 10 shows annually.

PROJECTS

Statue Quest | <https://github.com/GloGuldager/StatueQuest> | <https://statue-quest.herokuapp.com>

- Statue Quest is an app created to give users the opportunity to interact with the City of Philadelphia. Users get the opportunity to look up various landmarks in Philadelphia and log their trip on our website using selfie uploads.
- Team project. Performed database setup and deployment, HTML, CSS, kanban management
- HTML/CSS Bootstrap Javascript MySQL Sequelize Express.js Node.js Google maps api City of Philadelphia Public Buildings Open Source Data

Lost in Textlation | <https://github.com/GloGuldager/Lost-in-Textlation> | <https://gloguldager.github.io/Lost-in-Textlation>
